Dear Sir or Madam

**RE: NEW HIGH SCHOOL IN BUNGENDORE APPLICATION NO. SSD-14394209**

I refer to the above state-significant development application.

I **object** to the proposal, for the following reason(s):

1. The proposed site is not appropriate for the new high school. It does not even meet the Department of Education guidelines for minimum size.
2. Alternative sites have not been given proper consideration.
3. The proposed location will create unmanageable traffic congestion, given it is adjacent to the existing primary school and the local post office.
4. The proposed location will dislocate far too many existing community recreation activities.
5. The process appears to be a political one, having not properly taken planning into consideration.

I have not, and no associate of mine, has ever made any political donation to any person in the 2 years preceding this submission.

Yours sincerely,

Nora Stewart
