Dear Sir or Madam

**NEW HIGH SCHOOL IN BUNGENDORE
APPLICATION NO. SSD-14394209**

I refer to the above state-significant development application.

I **object** to the proposal, for the following reason(s):

- The Park is Crown Land set aside for the recreation of the people of Bungendore
- The Park is the only green space in the centre of the village. The High School has the capacity of 450 students. The population of Bungendore will increase with developments already approved and/or commenced. This site does not have the capacity to expand to accommodate additional students.
- The High School fencing and the siting of the bus stops will intrude on and has the potential to desecrate the Bungendore War Memorial, a most significant, and for families of the fallen, a most sacred site.
- The Park is bounded by historic and significant structures. The concrete modern design of the School is totally out of keeping with the precinct.

I have not, and no associate of mine, has made any political donation to any person in the 2 years preceding this submission.

Yours faithfully,

Alison Charlton
