PARRAMATTA NSW 2124

Dear Sir,

I wish to **OBJECT TO THE POWERHOUSE PARRAMATTA PROJECT** for the following reasons:

I believe the redevelopment of the current site of the Powerhouse Museum is just a sleazy play for more apartments in the city. Apartments which would be built for the elite and possibly o/s buyers whereas the Powerhouse Museum belongs to everyone in the state and is conveniently located for most Sydneysiders and country visitors and overseas visitors to appreciate.

Having had the opportunity to view the 'behind the scenes' storage of the Australian Museum in Sydney and being amazed at the quality and quantity of material gathered from our indigenous groups, I think that Parramatta would be a great location for a museum dedicated to displaying these artefacts to enrich our understanding of our indigenous cultural heritage.

Please don't destroy another valuable property like Willow Grove Villa and St Georges Terraces to build 'Powerhouse Parramatta' and in the process destroy the existing Powerhouse Museum in the city. This would be such a short sighted tragedy.

In regards to my submission I wish that my name be withheld from being published.
