#### Description of the development consent

Expansion of the ash dam and changes to the ash disposal method and ancillary infrastructure.

#### Description of proposed modification

The proposed modification involves an increase in ash recycling capacity at Eraring Power Station including:

- Construction and operation of up to four additional 600 tonnes ash storage silos to enable export of up to 150,000 tonnes per annum of stored ash product;
- Integration of ash recycling works approved under local development consent; and
- Construction of ancillary infrastructure to support ash recycling.

#### About the exhibition

An exhibition process allows any individual or organisation to have their say about a proposed development.

The Department of Planning, Industry and Environment (Department) is exhibiting an application to modify the abovementioned approved State Significant Development (SSD). The application and accompanying documents are on exhibition from **Tuesday 28 September 2021** until **Monday 11 October 2021**.

You can view the documents online at [www.planningportal.nsw.gov.au/major-projects/projects/on-exhibition](http://www.planningportal.nsw.gov.au/major-projects/projects/on-exhibition).

At the time of publishing this advertisement, the Minister for Planning and Public Spaces has not directed that a public hearing should be held.
