**RE: State Significant Development – Liverpool Hospital Redevelopment (SSD-10389)**

Thank you for notifying Sydney Water of the abovementioned SSD which proposes the expansion and refurbishment of the existing Liverpool Hospital. Works include demolition, construction of a new 6-storey ISB, refurbishment of existing buildings, tree removal, utility services and amplification works and landscaping. Sydney Water has reviewed the application based on the information supplied and provides the following comments to assist in planning the servicing needs of the proposed development.

**Water and Wastewater Servicing**

- Sydney Water's servicing requirements for this proposed development are to be delivered under the Notice of Requirements for the Feasibility application that the proponent has already lodged with us – CN 172340. Or any future Notice of Requirements.

This advice is not formal approval of our servicing requirements. Detailed requirements, including any potential extensions or amplifications, will be provided once the development is referred to Sydney Water for a Section 73 application. More information about the Section 73 application process is available on our web page in the [Land Development Manual](#).

If you require any further information, please contact the Growth Planning Team at [urbangrowth@sydneywater.com.au](mailto:urbangrowth@sydneywater.com.au).

Yours sincerely,

**Kristine Leitch**
