

29 June 2020

To whom it may concern,

My name is Ahmed Berro and I live in [REDACTED] at 308 Pitt Street, Sydney NSW 2000.

I write this letter in **objection** to the Over Station Development that has been proposed to be built next door to my unit block.

It will seriously impede on the amount of sunlight that I receive into my unit as well as negatively impact on the amount of privacy and the views that I have in and from my home. The proposed development also does not observe the required 24 metres of separation. I understand that the amount of separation will only be 12 metres which is something I strongly object to. As a result, I respectfully request that you consider my objection to this Development.

I otherwise confirm that the respondent has not made donations to political parties.

Would you please, as a matter of urgency, consider my objection and upload same to the Planning Portal?

Kind regards,

[REDACTED]

Ahmed Berro
