Attn: Mr James Groundwater,

Dear Sir,

My name is Jorge Uzabeaga and I currently live in and own [REDACTED] at 308 Pitt Street, Sydney NSW 2000. I am writing to you to object to the proposed Over Station Development that is to be erected next door to the Princeton Apartments.

I do not support the proposition for the Development to proceed as it will impede on my quiet enjoyment of my property by minimising the sunlight I am given in my unit, as well as interrupting the beautiful views from my apartment.

Further, the Development is proposed to be built only 12 metres away from the Princeton where it should in fact be 24 metres, which will mean I will have a serious loss of privacy.

I note that I have not made any donations to political parties, and request that serious consideration is given to my objection.

Yours faithfully,

[REDACTED]

Mr Jorge Uzabeaga
