Hi Minoshi,  
Thank you for referring this application.  
The current design proposal was developed through a competitive design process with follow up review by a Design Integrity Panel. Representing GANSW, I chaired the Competition Jury as well as the Design Integrity Panel.  
The design shown in the application is consistent with the final developed design, as agreed by the Design Integrity Panel, and GANSW will not be making a submission on this application.  
Please call me if you have any questions or would like to discuss further

Regards

Darlene
