Dear Ms Masters

**Weston Aluminium Dross Recycling Facility (SSD 7396)
Biosecurity and Food Safety Comment on the Environmental Impact Statement and
Quarantine Waste Trial**

I refer to your emails of 31 October and 2 November 2016 to the Department of Primary Industries (DPI) in respect to the above matter. Comment has been sought from DPI Biosecurity and Food Safety.

Any further referrals to DPI can be sent by email to landuse.enquiries@dpi.nsw.gov.au.

DPI has reviewed the requests and advises that the facility should adhere to the criteria for disposal of biosecurity waste laid out under the Commonwealth *Biosecurity Act 2015* and supporting instruments which are administered by the Federal Government Department of Agriculture and Water Resources.

Yours sincerely
