Dear Director Key Sites Assessments, Planning Services,

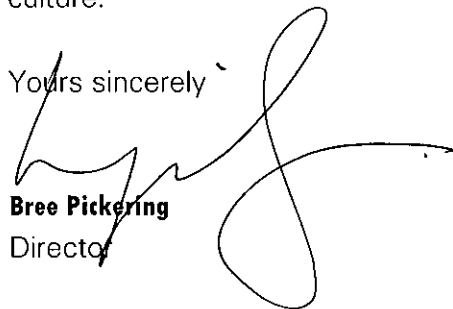

I write in support of the Art Gallery of New South Wales' expansion project, Sydney Modern.

Sydney Modern is a visionary project that will deliver New South Wales and Australia a global art museum. The expanded and new spaces will allow the gallery to capitalise on increasing engagement with cultural experiences in Australia and deliver programs that reflect the breadth of contemporary artistic practice globally.

The Art Gallery of New South Wales provides consistent leadership in art and culture and supports excellence in art across the country. It has proven to be a great supporter of arts audiences in regional New South Wales. We see that Sydney Modern will further allow the gallery to expand its reach and impact across the state.

We see Sydney Modern as a vital and coherent next step in the maturation of New South Wales significant investment in arts and culture.

Yours sincerely

Bree Pickering
