Dear Sirs, As a retired teacher with the Education
Dept. of NSW., I was at first enthusiastic that
there was to be an infants' school at the end of
Rosemead Rd., However, the huge number of
children proposed to be accommodated throughout
the year is beyond belief. Apart from the heavy
traffic, the incessant noise with no respite in
holiday periods - or little respite guaranteed at
any time, is very unfair on this peaceful
neighbourhood.

Yours faithfully,
