**TransGrid Reference Number: 2020-313**

**Location: Bayswater Power Station Upgrade - Notice of Exhibition**

**Proposal: Notice of Exhibition**

**TransGrid: Substation and Transmission Lines**

Thank you for your advice regarding proposed Bayswater Power Station upgrade.

TransGrid have reviewed the proposal and advise that the works do not appear to impact TransGrid infrastructure.

It would be appreciated if TransGrid could be consulted if anything might affect TransGrid infrastructure or easements during the works.

Regards

Michael
