Dear Mr Macri

SSD 9249- S.4.55 Modification to Sydney Football Stadium Redevelopment

Thank you for your referral dated 26 October 2021 inviting comments from the Heritage Council of NSW on the above State Significant Development (SSD) proposal.

The proposed modification involves changes to site boundary, changes to building envelope to include new carpark and precinct village and change to conditions of consent related to cap on parking spaces due to parking spaces increasing to 1500 spaces. Planning Statement by Ethos Urban dated 15 September 2021 has been taken into consideration.

Comments related to the new multilevel carpark below ground level and precinct village have been provided separately under SSD 9835. There are no heritage impacts of the remaining changes therefore there are no comments on the proposed modification.

If you have any questions regarding the above advice, please contact Rajat Chaudhary, Senior Heritage Assessment Officer at Heritage NSW on 9873 8521 or rajat.chaudhary@environment.nsw.gov.au.

Yours sincerely
