To Whom It May Concern

As a local resident I strongly object to any extension of Moriah College, be it a larger area or increased school numbers.

HOW BIG DOES A SCHOOL NEED TO BE IN SUCH AN ALREADY OVER LOADED TRAFFIC AREA???

I use York Road morning and afternoon and already I am waiting for extended periods of time for drop off and pick up times. To see cars banked up as far as Oxford St south bound in the afternoons and as far as Avoca St north bound in the mornings is a frequent sight.

ANY increase in numbers will no doubt add to this extremely infuriating time. No reorganising of traffic masterplan will improve this situation.
