Planning Update – Proposed Beryl Solar Farm

Dear Ms Mitchell

Thank you for your letter 31 March 2017 requesting Transport for NSW (TfNSW) review and comment on the Environmental Impact Statement for the subject development. Please note that Roads and Maritime Services (RMS) will provide a separate response.

TfNSW have reviewed the documentation supplied in support of the above proposal and have no further comment at this stage of the planning process.

Thank you again for requesting TfNSW comment on this proposal. If you have any further questions, Mr Lee Farrell, Transport Planner at TfNSW, would be pleased to take your call on (02) 8202 2944. I hope this has been of assistance.

Yours sincerely

13/6/17
