**Mona Vale Community Health Centre, Coronation Street, Mona Vale Hospital  
(SSD 6160) - Notice of Exhibition**

Dear Mr Gibson

Thank you for your letter dated 4 March 2014 requesting for Transport for NSW (TfNSW) comment on the Mona Vale Community Health Centre development application.

TfNSW requests that a Construction Traffic Management Plan (CTMP) be prepared to specify any potential impacts to regular bus services operating on roads within the vicinity of the site from construction vehicles during the construction of the proposed works. Potential impacts on pedestrian access to public transport infrastructure including bus stops must also be specified. Should any impacts be identified, the duration of the impacts and measures proposed to mitigate these must be clearly identified and documented in the CTMP.

Should you have any questions regarding this review, please contact Mark Ozinga on 8202 2198 or [Mark.Ozinga@transport.nsw.gov.au](mailto:Mark.Ozinga@transport.nsw.gov.au)

Yours sincerely

26/3/14
