Submission for: State Significant Development – Pymble Ladies
College - Grey House Precinct

Application Number SSD-17424905

I have not made any reportable political donations in the previous two years.

I **object** to this application.

More students means more traffic. PLC plans to increase to 2650 students in their Master Plan. That means all extra school traffic will come along with the development. Funny enough, PLC thinks the traffic impact is only minor in their Traffic Impact Assessment.

The morning traffic from Pacific Highway to Livingstone Ave at morning drop-off time

The afternoon traffic from Everton Street to Livingstone Ave during at pick-up time

Has the school engaged the right firm to do the independent traffic assessment with no bias?

The development is too tall and big for the local context and HCA.
