I declare I have not made any reportable political donations in the previous two years.

I write to object to this development as a resident living in Barclay Close in Pymble. Barclay Close is a cul de sac. Avon Road is the only road for me to get out and get back to my home.

The proposed development will increase student and staff numbers (ELC, Year 5 and 6) and it will increase the traffic in the peak hours for student drop off and pick up.

The school has already increased the school population (students plus staff) from 2420 in 2012 to 2659 in 2021 without getting proper traffic management impact assessment with the relevant traffic authority.
