**SSD 5878-2013 Sydney International Convention, Exhibition and Entertainment  
Centre Precinct - Mixed use Development in the Southern Haymarket Precinct  
(Concept Proposal)**

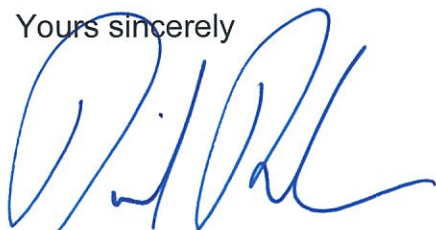

TO WHOM IT MAY CONCERN:

TAFE NSW - Sydney Institute wishes to submit this letter to endorse the development of the Sydney International Exhibition and Entertainment Precinct.

The precinct offers many opportunities to a broad range of communities. Our student body will receive training and a potential increase in job opportunities. It will also reinvigorate the local precinct through job opportunities and increase the vibrancy of the local community at large. It will be a precinct the community will be most proud of.

Furthermore, we believe the precinct will generate a positive economic benefit to not only the City of Sydney, but to the State of New South Wales in general.

Yours sincerely

David Riordan
