Attention: Peter McManus

Dear Mr McManus

Gosford Hospital Redevelopment (SSD 6913)

Reference is made to correspondence received from the Department of Planning and Environment (DPE) (dated 6 August 2015) detailing that the Gosford Hospital Redevelopment (SSD 6913) is on exhibition and inviting the EPA to make comment on the proposal.

The EPA has assessed the submitted information and notes that the facility will not be licensed by the EPA and the EPA is unlikely to be involved with the project. Accordingly the EPA is comfortable with relevant considerations of this proposal being assessed by DPE experts and therefore the EPA has no further comment on this proposal.

Please contact Alexander Beavis on (02) 4908 6804 if you require further information regarding this matter.

Yours sincerely
