Dear Sir/Madam,

Re: Application No SSD 6957

I am the owner of Highgate which located on 127 Kent Street Sydney NSW 2000. After check the NSW planning Crown Casino details, as a resident of Sydney and a owner of Highgate, I cannot agree with this plan at all. It took too much public land on the water front to build a private building. There is already shortage of public excess space in Barangaroo area. It is unfair to the residents of that area.

Also, there will be too much traffic problems caused after it have built especially many apartments and office building have already on the way. The parking issue has been already big problem in that area and it will get worse if the high rising Casino add to it.

I strongly believe that the new Crown Casino should stick to it's original plane and not ament to bigger and higher every time which is at the surrounding buildings and residents' expense.

It would be very appreciated if you would consider my submission regarding to this application No SSD 6957.

Thanks and kind regards,
Heying Shen
