Dear Sir / Madam

**St George Hospital Redevelopment Stage 2 - Acute Services Building (SSD 7024)  
Notice of Exhibition**

Health Infrastructure, on behalf of Health Administration Corporation, has submitted a development application (DA) for the St George Hospital Redevelopment Stage 2 - Acute Services Building, located at St George Hospital, Gray Street, Kogarah in the Kogarah Local Government Area.

The proposal involves:

- construction of eight storeys above the Emergency Department on Gray Street, to be known as the Acute Services Building, with 28,500 sqm of floorspace;
- relocation of the helipad to the rooftop of the Acute Services Building;
- two additional levels of car parking above the existing Gray Street multi-level car park;
- refurbishment works to existing hospital buildings (approximately 4,800 sqm of floorspace); and
- electrical substation works and upgrade works to the existing hospital main entrance.

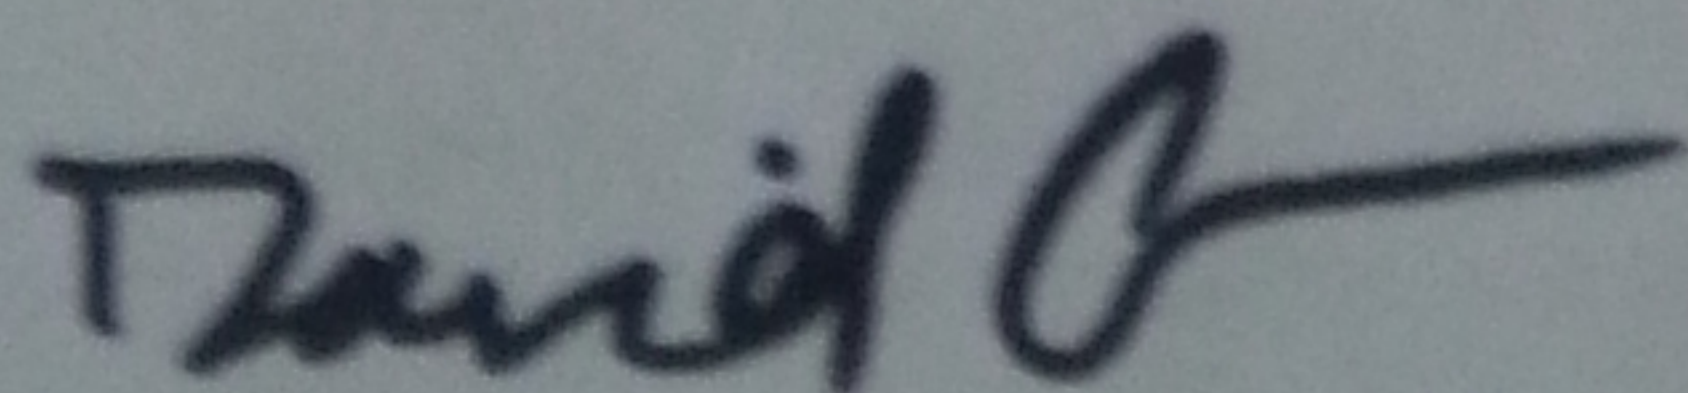

The DA and Environmental Impact Statement (EIS) for the proposal will be on public exhibition from **Thursday 25 June 2015** until **Monday 10 August 2015**.

Planning and Infrastructure has identified that you own and/or occupy land near the site and invites you to make a submission on the proposal, should you wish to do so.

If you wish to make a submission on the proposal you should read the submissions section overleaf. Submissions must reach the Department by close of business **Monday 10 August 2015**

Details on where to view the EIS during the exhibition period are also overleaf.

Yours sincerely

David Gibson  
Team Leader  
Social Infrastructure
