Subject: Exhibition of the EIS for the refurbishment of the UNSW Electrical Engineering Building SSD 7370

HP TRIM Record Number: DOC16/66738

Hi Nathan

After reviewing the relevant documents, OEH's Greater Sydney Planning Team has concluded that the matter does not contain biodiversity, natural hazards or Aboriginal cultural heritage issues that require a formal OEH response. We have no further need to be involved in the assessment of this project.

Regards,

Marnie Stewart

Subject: Letters for OEH and EPA

Hi,

Please find attached letters for both OEH and EPA regarding the exhibition of the EIS for the refurbishment of the UNSW Electrical Engineering Building. Hard copies have been sent via surface mail.

Thanks,

Nathan Stringer
