Dear Mr Gibson

**Staged Redevelopment of the Saint Ignatius College Riverview school campus and
Stage 1 Works (SSD 7140) - Notice of Exhibition**

Thank you for your email received 9 December 2015 regarding the above project.

Transport for NSW (TfNSW) has undertaken a review of the supporting documents associated with the proposal. It is requested that the applicant is conditioned to develop a Construction Traffic Management Plan (CTMP). The CTMP should manage the impact of development construction on general traffic, bus operations, pedestrians and cyclists movements during the construction period.

Should you have any question please contact me, Tim Dewey, on 8208 2188 or tim.dewey@transport.nsw.gov.au.

Yours sincerely

Tim Dewey
