Dear Sir/Madam

**Submission in Response to the EIS on the proposed Nyngan Solar Plant
(Application Reference Number SSD-5355)**

Further to Council's submission dated 18 April 2013 we would like to record the following:

1. Council withdraws the comments contained in Paragraph 6 – Environmental Impacts on Family Farms and Homes Adjacent to the Mine (sic). This paragraph is therefore deleted from our submission.
2. Regarding Key Issue (c) and Paragraph 8 – Financial Contributions to Bogan Shire Council, Council withdraws the requirement to enter into a formal Voluntary Planning Agreement (VPA) with AGL. Instead Council will seek to agree, via exchange of letters, on appropriate Council / Community contributions including contributions to infrastructure.

If you have any queries regarding the abovementioned matters please don't hesitate to contact the undersigned.

Yours sincerely

Derek Francis
General Manager
Bogan Shire Council
