Dear Heather

Ref: SSD 12_5374, Barangaroo Central Waterfront Promenade and Interim Public Domain Works, Barangaroo Central.

Thank you for the opportunity to comment on the above development that will impact on residents of the Leichhardt Council area.

At the Leichhardt Council meeting held on 11th December 2012 Councillors raised the question as to whether residents on the East Balmain peninsular have been notified of this development. They will be affected by noise from the proposed six major events that are proposed to be held annually.

The Council Resolution endorsed the need for East Balmain residents to be notified in order that they may submit comments on this proposed development.

We would appreciate your response to this request as a matter of urgency.

Council appreciates the opportunity to comment on this development and will be submitting our report shortly. If you would like to discuss this submission further, please telephone David Wilson Environment and Urban Planning on 9367 9232.

Yours sincerely

David Wilson
Manager Environment and Urban Planning
