Dear Mr Brown,

Re: OBJECTION: SSD - 5397: The Ribbon Sydney, 31 Wheat Rd.

I am writing to you to add my voice to the overwhelming multitude of objections to this building project. This project represents poor planning and will no doubt detract from the beauty of Darling Harbour overall as well as having a insurmountable negative impact on the property in the area.

I am concerned that the proposed size and height of the new building will significantly detract from the view of many residents surrounding the harbour, including myself, and as a result will negatively impact on property value and rental income.

I strongly object to this project and I urge you to reconsider your approval of this project.

Thank you

Sincerely,

William Lee
