Dear Sir / Madam

Application No SSD 17899480 / Ramsey health Care Ltd

Statement      **OBJECTI**

Reasons for objection.

Following reason I am object this development.

- a. This building zone is in the medium housing zone. **Not suitable for 4 story development**
- b. This building is located to children park (Lytton park) This is used by children and adults for their leisure activities. Safty of children is very important. There is danger for children and their activity . (type of treatment in this building and may increase predators in this park.
- c. Road traffic. Already lot of development in Wentworthville (veron St, Station st and lane street which is created heavy traffic in this road. Also Essention road and Parramatta road Park has several entry points such as Lytton st, Veron st and Kleen st. Lot of pedestrian movement around this park. Increase of traffic will endanger the public and small children.
- d. Park is used by minor children after their school. We need to increase the size of park **not building.**

Finally I have not contributed any funding for political parties in my life.
