Hi Lara,

Thanks for contacting Council about this matter. A submission was provided through the on-line exhibition page, copy below:

Based on the photomontages submitted (page 37 of the EIS), it appears that part of the building will be visible from the foreshores. It is recommended that conditions be imposed to ensure that suitable replacement tree canopy cover is provided to screen the building to ensure that landscaping dominates when viewed from the foreshores and that the materials/finishes of the building are sympathetic to the natural environment.

Regards
Joe Vertel

Hi Joe,

I'm just seeking to confirm whether Mosman Council is likely to provide comments for the proposed Taronga Zoo Nutrition Centre (SSD 17655146)?

Happy to discuss, should you have any concerns/issues.

Kind regards,

Lara Fusco
