

June 22 2013

Dear Sir.

I am writing to voice my absolute disapproval of the plan to allow Kores to mine under our beautiful valleys. Eo Wooralong & Yarramalong. They have been refused before and ask that once. For all they are told no. we do not approve of Wallarah 2 Coal Project. I have seen for myself the utter destruction caused by mining in my home state of Central Queensland. Please do not allow this to happen.

Yours Truly
