Director, Mining Projects  
Development Assessment Systems and Approvals.  
Department of Planning and Infrastructure  
GPO Box 39  
Sydney NSW 2001.

To Whom it may concern,

"Re: Wallarah 2 Coal Project  
Application Number SSD-4974".

I Suellen Rose Meilak object to the "Walarah 2 Coal Project" on the following grounds:

- 1) The Wallarah 2 Coal Project will lose more water per day than can be replenished by rain fall.
- 2) The Wallarah 2 coal project will destroy Jilliby and Dooralong Valley's.
- 3) The Wallarah 2 Coal project will adversely effect the Environment and add to potentially catastrophic Climate change, endangered ecological communities and aquatic Flora & fauna.

Kind regards,

Suellen Meilak. *Suellen*
