RE: SUPPORTIVE SUBMISSION FOR WALLARAH 2 COAL PROJECT

I am writing to you today to pledge my support for the Wallarah 2 Coal Project.

The benefits that this project will bring to the local community will be enormous.

The jobs and business opportunities that will become available with the projects approval will certainly help reduce our high unemployment rate and provide a secure future for many.

There will be apprenticeships for young school leavers, jobs for the experienced and non-experienced and an opportunity for businesses like ours to secure work for the future.

The Central Coast needs this Project to be approved.

Craig Dunshea
Operations Manager
