

Submission For Wallarah 2 coal mine

1/9/2016

ATT

Kenny Barry

My thoughts on opening of the new colliery Wallarah 2 coal mine

I feel it will certainly promote growth and employment within the area, which in turn is good for business and the community.

As I see it its a win win situation for all envolved.

All the best for the future Wallarah 2 mine.

With regards

Craig Ingram
