Subject: NO to Plasrefine at Moss Vale NSW 2577

Please note my objection to Plasrefine at Moss Vale

Have any studies been carried out of the effect this will have on the local community / area?

Social Impact

Environmental

Impact on the water catchment area for the local and Sydney drinking water

The schools in the area: St Paul's Primary / St Paul's International College

Extensive use of the infrastructure - damage due to the many large large trucks using the roads
