Dear Mr Ritchie

**RE: Notice of Exhibition of Warehouse and Distribution Centre, Chullora (SSD 7235)**

I refer to your email dated 6 November 2015 seeking input from the Heritage Council of NSW for the above SSD proposal. I have reviewed the documentation provided and recommend the following conditions:

- Prior to works commencing, the applicant must determine the exact location of the Sydney Water Pressure Tunnels to avoid unnecessary impact on their heritage significance.
- If historical archaeological deposits or Aboriginal objects are discovered during works, work must immediately cease in the affected area(s) and a suitably qualified and experienced archaeologist must be contacted to assess the finds. Additional assessment and approval may be required prior to works continuing in the affected area(s) based on the nature of the discovery.

If you have any questions regarding the above matter please contact Adrian Hohenzollern, A/Senior Team Leader, at the Heritage Division, Office of Environment and Heritage, on (02) 9873 8540 or by email at [Adrian.hohenzollern@environment.nsw.gov.au](mailto:Adrian.hohenzollern@environment.nsw.gov.au).

Yours sincerely
