Attention: Ms Megan Fu,

**Protest against the Proposed Demolition of Griffith House
30 Gray St Kogarah NSW 2217**

We were appalled when we recently found out about the proposed demolition of Griffith House for "car spaces". The lack of community consultation in this matter is also quite worrying, and it shows that the State Government has absolutely no respect for the local community and our local heritage.

We most strenuously object to the demolition of Griffith House. This property is of regional significance and it should be preserved for future generations.

Yours sincerely,
