**Project Name: Rocky Hill Coal Project**  
**Project No.: SSD 5156**

Dear Sir/Madam

I support the Rocky Hill Coal Project going ahead because it will: bring my husband home to be with his young family! This project will bring many workers that are currently forced to live away from home for work, back home to their families.

It will also open opportunities for more families to move to the area increasing the number of students in our schools.

I have not made any reportable political donations in the past two years.
