Project Name: **Rocky Hill Coal Project**
Project No.: **SSD 5156**

Dear Sir/Madam

I support the Rocky Hill Coal Project going ahead because it will: GIVE

Job opportunities to the locals

Many Industries are shutting down around the country and hard working people are now unemployed, we need more Industries to keep Australia going,

And I am happy to support this project as long as it is not sold to overseas investors like many other Industries.

I don't think this is good for Australia in the long term picture.

I have not made any reportable political donations in the past two years.

OR

Completed political donations disclosure statement attached

Yours sincerely
