Dear Sir,

Submission to Proposed Rocky Hill Coal Project – SSD-5156

I wish to make a submission to the proposed Rocky Hill Coal project SSD-5156.

I wish to demonstrate my support for the project and site the following reasons as to why the Department should look favourably on this project for the benefit of Gloucester and New South Wales.

- The community is doing it tough & needs jobs.
- The mine will create flow on benefits for the community.
- It will assist local business sustainability
- It will provide jobs for my children
- The mine proposes to increase agricultural production in unmined areas.
- The mine will provide new infrastructure that the Council cannot afford.
- Provide Direct & Indirect community benefits.

I am not required to make a reportable political donation.

I have read the Department's privacy Statement and agree to the Department using my submission in the ways it describes. I understand this includes full publication on the Department's website of my submission, any attachments and any of my personal information in these documents, and possible supply to third parties such as state agencies, local government and the proponent. I do / do not wish to have my personal information published with my submission
