Rocky Hill Coal Project – Application No SSD-5156

Dear Sir/Madam

I oppose the Rocky Hill Coal Project.

The proposed mine is much too close to the town of Gloucester. The quantity of coal available is very small compared to the much larger mines, for example in Queensland. The potential environmental and health damage is too great for such a small mine. If it is good enough to impose an exclusion zone around towns for coal-seam gas, such a zone is even more appropriate for coal mining.

I have not made a reportable political donation.

Yours faithfully
