Dear Sir/Madam,

Re: Rocky Hill Coal Project – Application No SSD-5156

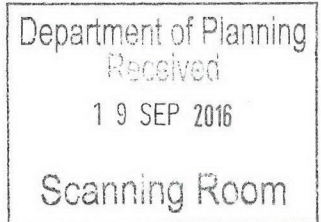

I wish to register my opposition to the Rocky Hill Coal Project.

The project area is way too close to houses in the Gloucester township. I think the coal mine operations will be a problem for Gloucester township residents by way of noise and coal dust pollution. I note that the visual impact of the proposed coal mine has been 'greened out' on the project's own impact photograph. Surely colouring the mine's location with a green colour on the photograph is misleading to the public, if not downright dishonest.

I do not understand how your department has condoned the Project's behavior in respect of this misleading information.

Yours sincerely,

Lynette Stewart (Ms)
