Rocky Hill Coal Project – Application No SSD-5156
Stratford Coal Extension Project – Application No SSD - 4966 MOD1

Dear Sir/Madam

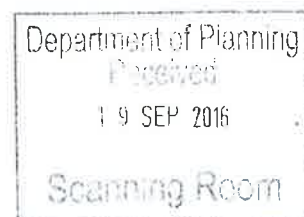

I strongly oppose the Rocky Hill Coal Project and Stratford Mine modification on the following grounds:

My husband and I came to live on our family property in 1982. There was no coal mining in the Gloucester Valley at that time. Since then, 2 coal mines have been operating.

I am distressed to learn that a third mine is being planned for the Valley, and only a very short distance from town and residential areas.

I am concerned for the health of residents, especially children, and also for the unsightly mess I believe this mine will make.

I do not believe this mine should be approved.

I have not made a reportable political donation.
