Dear Sir/Madam

I support the Rocky Hill Coal Project going ahead because it will:

make employment for our ailing town.

*I have been taken out to the site
I have found it to be acceptable to the town
ship of Gloucester. That if they will control
all run off water so that it will be
purer than what the Avon river is now especially
in dry times. The noise & dust level will be kept
at a minimum because of where it is - the prevailing
winds will ~~be~~ blow it the other way. Most of the
protesters that are protesting are odd sides & don't even
come from Gloucester.*

I ~~have~~ have not made any reportable political donations in the past two years

Yours sincerely

Inis Mshack
