Project Name: Rocky Hill Coal Project
Project No.: SSD 5156

Dear Sir/Madam

I support the Rocky Hill Coal Project going ahead because it will: allow jobs & income come into our town Gloucester. I work in the finance industry (Banking) and believe that Rocky Hill will provide jobs and boost the economy which Gloucester desperately needs. I have lived in Gloucester for 40 years and have 3 children. Two of my children have had to leave town to look for employment. I have a son that now works in remote W.A. in a gold mine, he would have the opportunity to come back to Gloucester if jobs were available here. With the 40 jobs gone from "Duralie mine" last week I believe our town needs Rocky Hill to survive with the extra income coming in to the town and allow people to stay in Gloucester and not have to seek employment elsewhere.

I have/have not made any reportable political donations in the past two years
