Project Name: Rocky Hill Coal Project
Project No.: SSD 5156

Dear Sir/Madam

I support the Rocky Hill Coal Project going ahead because it will: allow jobs + employment in Gloucester. I am a 27 year old male that was born and bred in Gloucester and I have had to leave town to gain employment in Western Australia in a Gold mine. as there is no work available here.

I think the Rocky Hill Project would boost the economy in Gloucester as well as create more jobs. I would like the opportunity to return to my home town and I worry if the mine doesn't go ahead there will be no employment for the younger people of Gloucester, and more people like myself will have to relocate to find work. I fully support the Rocky Hill Coal Project.

I have/have not made any reportable political donations in the past two years

Yours sincerely
