**Project Name: Rocky Hill Coal Project**

**Project No: SSD 5156**

Dear Sir/Madam,

I support the Rocky Hill Coal Project going ahead because it will provide valuable industry for this community, especially in light of the fact that Stratford and Duralie Coal mine appears to be winding down. I, myself, have recently had my employment terminated, along with about 40-50 other employees, and this will have a negative impact on the community. We need the Rocky Hill Coal Project to go ahead to provide employment, so that people can provide for their families instead of becoming reliant on welfare.

I have not made any reportable political donations in the past two years.

Yours sincerely
