Project Name: Rocky Hill Coal Project
Project No.: SSD 5156

Dear Sir/Madam

I support the Rocky Hill Coal Project going ahead because:

The failure of power in the State of South Australia is a fair indication of what a mess the country could become without the security of energy.
Government also needs employment so the mine would help solve the problem.
Yours Faithfully.

I have have not made any reportable political donations in the past two years (please circle one)

Yours sincerely,
