Dear Sir/Madam

I support the Rocky Hill Coal Project going ahead because:

The family man  
wouldn't have to leave there home  
to travel away for work like  
my son, has to. He has been  
to. Boggabri and Bulga, stratford  
coal. doing recovery work.  
and now down at mine work.  
with the garbage dump sit (he is a worker)  
We need to try and keep employment  
in our small town. and once  
there are no mines. there will  
be no work- even in the shops.  
as they will not have any money  
to employ people.  
they will do it hard  
and loose there homes

I have / have not made any reportable political donations in the past two years (please circle one)

Yours sincerely,

Irene Blencowe
