STAFFORD COAL EXTENSION PROJECT
APPLICATION No. SSD 4966 MOD 1.

DEAR SIR

I completely oppose the above PROJECTS

It is beyond belief that with the information that is available regarding detrimental effects to the environment and peoples' health that these PROJECTS have reared their heads, and again being considered.

Surely a phasing out of Fossil fuels is the way to go - FUTURE GENERATIONS ARE THE ONES WHO WILL CONTINUE to suffer by continuing the use of Fossil Fuels

PLEASE, please ~~consider~~ disapproving these PROJECTS.

I look forward to hearing from your DEPARTMENT as to THE PROGRESS OF THESE PROJECTS

Yours truly

Maria Pye
