Dear Sir/Madam,
RE: I oppose the Rocky Hill Coal Mine,
Project Rocky Hill Coal Project- Application No
SSD 5156.

My opposition to the mining is not only the environmental degradation of our water catchment air quality and physical surrounds. I believe it will be a retrograde step for the country, as renewable energy is the way forward, Australia needs to be and capable of being a world leader in reducing greenhouse gas emissions. This mine is too close to the town of Gloucester I feel it will end the town's existence.

DON'T MINE ON DOORSTEPS OF PEOPLE.

I do not wish to have my name published.
I have not made a reportable political donation

Yours sincerely
